

EPOD PARTNER BIOGRAPHIES

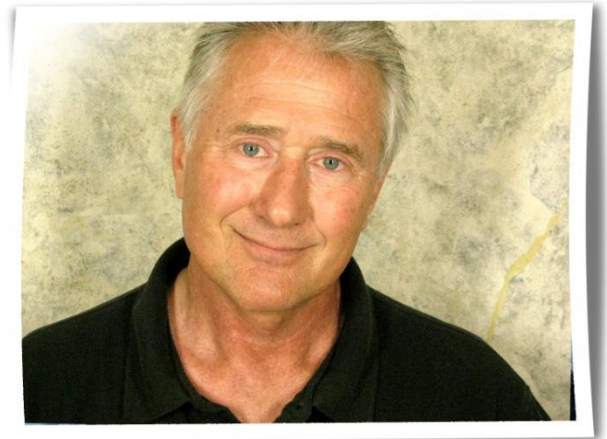

CHRISTIAN SHIMER - Age: 42
Born 1967 Yuma, AZ

His experience as a Cruise Director lends itself to knowing how to create entertainment which will work for a specific event. The value of a customized performance was ingrained in him while working as a top wedding DJ in Las Vegas and Los Angeles; this concept is built into the ePod. His work as a producer and on-air personality in radio has provided the voice and production skills necessary to make the ePod photobooth talk. He employs his skills in video production to add the music-video-montage which comes free with every ePod package.

NEIL TORR - Age: 57
Born 1953 - Lakewood, OH

Neil's unique technological and artistic abilities allow him to envision and build just about anything. His years owning a successful automotive restoration business gave him experience as a business operator; it also provided the expertise to design and engineer the ePod as eye-catching and fun. His work as a teacher, musician and entertainer has been a great outlet for his dynamic personality, a trait which he now brings to his clients' events. His attention to detail, both in design and customer service, helps to make the ePod an exceptional entertainment choice.
